formation about the nature of the energy input which gave rise to the created atom." Or, as Barnett concludes, quoting St. Paul, "The world was created by word of God so that what is seen was made out of things which do not appear."

There are moments of high drama in every classroom. I asked whether Barnett meant the God of Moses — Jahwe. "Is it the same god?" There was a conventional, stout *Yes* from a few executives, then a pause and silence — broken at last by slow shaking of heads and a final predominant,
